## MEDICAL LABORATORY SCIENCE CREED

As a Clinical Laboratory Technician, I pledge to uphold my duty to Patients, the Profession, and Society by:

Placing patients' health and comfort above my own necessities.

Certifying that each patient receives care that is safe, effective, prompt, and impartial.

Upholding the dignity and esteem for my profession.

Promoting notable work ethics and relationships within the clinical laboratory and with other healthcare providers.

Being mindful of the laws and regulations that protect patients from incompetence or unlawful process.

Modifying circumstances where necessary to improve the best interest of patients.

## MEDICAL ASSISTANT CREED

I believe in the principles and purposes of the profession of medical assisting.

I endeavor to be more effective.

I aspire to render greater service.

I protect the confidence entrusted to me.

I am dedicated to the care and well-being of all people.

I am loyal to my employer.

I am true to the ethics of my profession.

I am strengthened by compassion, courage, and faith.
