Placement Testing Policy

Policy

Students who wish to qualify for college-level English and/or Math may submit ACT/SAT scores, or they can take the placement test known as the ACCUPLACER given by College Board to determine readiness for Math or English.

College Board ACCUPLACER has not set forth a specified re-test policy, rather institutions are encouraged to create their own policy in regard to re-testing. The policy contained in this memorandum should be followed for all students seeking to re-test in regard to ACCUPLACER.

Re-Test Policy

Students are given the opportunity to test three times within a calendar year in order to improve their scores.

After the third test administration, the student must wait 365 calendar days from the first test date OR complete co-requisite courses set forth by SLCC.

Currently, SLCC is not a testing site for ACT/SAT. Refer to ACT/SAT sites directly for additional guidance.
