

STUDENT SUCCESS LIVE

1. I submitted my official transcript to SLCC. When will it be evaluated?

The registrar's office will evaluate your official transcript prior to your Student Success Live (SSL) session, if you meet BOTH of the following criteria:

- You submitted your official transcript at least 3 days before your SSL session.
- You received a confirmation email from the registrar's office.

2. Can I register for classes if I bring my official transcript to my Student Success Live (SSL) session?

Yes, if you bring an official transcript to your SSL session, you can register with an override from the registrar's office. Your transfer credits will appear on your SLCC transcript before the following semester's priority registration.

3. What if I didn't submit my official transcript or bring it to my Student Success Live (SSL) session?

You can register for classes without an official transcript, but this may limit your options until SLCC receives one. For example, if you completed college algebra (MATH 1105) at another college and want to register for an SLCC course that requires it as a prerequisite, you will be unable to do so without your official transcript. You also are responsible to avoid repeating courses for which you've previously earned credit.

4. Can I submit my official transcript after attending my Student Success Live (SSL) session?

Yes, you should submit your official transcript to SLCC as soon as possible.

- Request your official transcript(s) from your previous college(s) be sent to admissions@solacc.edu.
- Receive your confirmation email from the SLCC admissions office.
- Send an email to slcctranscripts@solacc.edu with the following: (1) first and last name, (2) student ID number, (3) date of birth, and (4) name(s) of college transcript(s) you've ordered.
- NOTE: Your transcript(s) will be evaluated before the following semester's priority registration.

5. Can I register for classes with an unofficial transcript or with no transcript at all?

You can register for classes without an official transcript, but it may limit your options until SLCC receives your official transcript. For example, if you completed college algebra (MATH 1105) at another college and want to register for an SLCC course that requires it as a prerequisite, you will be unable to do so without your official transcript. You also are responsible to avoid repeating courses for which you've previously earned credit.

6. My official transcript from another college indicates grades of "in progress." If those are prerequisites for SLCC classes, can I register before receiving my final grades?

No. You must have final grades on an official transcript in order to satisfy prerequisites for SLCC classes.

7. I submitted my official transcript to SLCC and was waived from attending Student Success Live (SSL). How will my transcript be evaluated?

To have your transcript evaluated, you must send an email to slcctranscripts@solacc.edu with the following: (1) first and last name, and (2) student ID number. The registrar's office will evaluate your transcript within 5 business days of its receipt. The office will email you a confirmation when your transcript has been evaluated.

GENERAL TRANSFER QUESTIONS *(continued on page 2)*

8. How will I know when my transcript has been evaluated?

The registrar's office will email you a confirmation when your transcript has been evaluated.

9. How many transfer credits will SLCC apply toward my degree program?

Students can transfer a maximum of 75% of the total program credits required for program completion. For example, if your program requires 60 credits for completion, you can transfer a maximum of 45 credits.

10. Are "D" grades transferrable to SLCC?

No, "D" grades are not transferred to SLCC. Only grades of "A," "B," and "C" are transferred, as well as passed grades that are equated to a "C" or higher (e.g., "S" and "P").

GENERAL TRANSFER QUESTIONS *(continued from page 1)*

11. What if my transfer credits are over 10 years old and I haven't earned a college degree?

Some courses may transfer to SLCC if they are over 10 years old. For more information, send an email to slcctranscripts@solacc.edu with questions and include your (1) first and last name and (2) student ID number.

12. How can I view the transfer credits that SLCC has accepted?

You can view your transfer credits in LoLA by following these easy steps:

- Click the Student tab.
- Click Academic Transcript in your Academic Profile section.
- Click Submit.
- NOTE: All transfer credits will have the letter "T" before earned grades (e.g., "TA").

13. Why are some of my transfer credits noted as 1XXX or 2XXX instead of specific course numbers?

SLCC indicates transfer courses that do not have direct SLCC equivalents with course numbers of 1XXX (for 1000-level courses) and 2XXX (for 2000-level courses). These courses fulfill general elective requirements.

VISITING STUDENTS

14. I am a visiting student. Will my credits from other colleges be added to my SLCC transcript?

No. With an official transcript, however, the registrar's office may grant visiting students overrides to satisfy SLCC prerequisites, corequisites, and concurrencies.

15. I am a visiting student. What happens if I receive a prerequisite error when registering for classes?

With an official transcript, the registrar's office may grant visiting students overrides to satisfy SLCC prerequisites, corequisites, and concurrencies.

- Request your official transcript(s) from your previous college(s) be sent to admissions@solacc.edu.
- Receive your confirmation email from the SLCC admissions office.
- Send an email to slcctranscripts@solacc.edu with the following: (1) first and last name, (2) student ID number, (3) date of birth, and (4) course number + CRN number (e.g., ENGL 1010 – CRN 10444).
- NOTE: The registrar's office will evaluate your transcript within 3 business days of your request. The office will email you a status update when your transcript has been evaluated.

CURRENT STUDENTS

16. I've changed my major. Will my official transcript be re-evaluated?

Yes, your transcript will be re-evaluated for your new major after you've submitted your change of major form to the registrar's office. Previously transferred credits will not be removed from your SLCC transcript. Credits for your new major will be transferred, if applicable.

17. I'm a current SLCC student. If I submit an official transcript, when will it be evaluated?

Once you've received a confirmation email from the admissions office that your transcript was received, send an email to slcctranscripts@solacc.edu with the following: (1) first and last name, (2) student ID number, and (3) name(s) of college transcript(s) you've ordered. Your transfer credits will appear on your SLCC transcript before the following semester's priority registration.

- NOTE: The registrar's office is unable to respond to walk-in and phone requests regarding the status of transcript evaluations. Send an email to slcctranscripts@solacc.edu with questions.

CREDIT BY EXAM

18. My ACT or SAT scores are high. Can I use them to earn credit in any classes?

Yes. If you are eligible for ENGL 1010 or MATH 1105 based on your ACT or SAT scores, submit a credit for prior learning form to the registrar's office. SLCC awards credit with grades of "S" to students meeting minimum test score guidelines. Review the current version of SLCC's placement guide for English and math for more information.

19. I'm interested in taking a CLEP exam. What do I do?

Students are responsible for contacting the division dean of their majors to confirm that CLEP credit is applicable to their majors. Contact the testing center for more information on CLEP exams.
